A Debt

In the Middle Ages chivalry was a great part of everyday life. The knight promised his lord that he would be gallant, fearless, and loyal. He would shun treachery and caution and always be ready to risk death for his lord or companions. Love was also a part of chivalry.

In the same way today we, of the Western civilization, practice the code of chivalry. We strive in this great democracy to be honorable and fair. We would willingly fight and die for our country and fellowman as would have the gallant knights of many years ago.

Robert E. Lee, one of the greatest and most
skilled generals in our history, was best known for his
outstanding character. Humility, prayer, faith, and
kindness were part of his everyday living. He could
surely take his place beside the gallant knights of the
Middle Ages.

SENIOR CLASS MESSAGE

We Lee Class of 1948 express our gratitude for being able to participate as a part of this student body.

Though we are very fortunate and proud to be the first graduating class to complete three full years at Lee, it is our highest hope that all future seniors will profit by our many experiences.

There is not a happier feeling than that of being a senior. However, this thought makes us sad — to know that we will be leaving our school and friends so soon. We shall not say "good-bye" to our temporary close, not because we shall not leave more but because we are leaving such a wonderful school, faculty, and student body.

No matter where we go we shall always be a Lee girl or boy. In our hearts we will always say:

"Lee High, to thee in joyous lay we pledge our steadfast will
To bear thy ensign always high, thy lofty hopes fulfil
The years will pass, as years will do, and class by class depart
Alma Mater, as they leave thee, hold thy love in every heart"

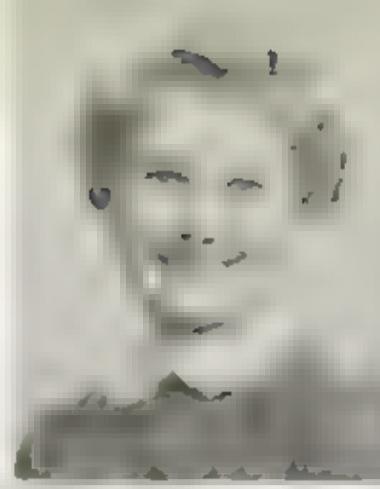

"Lee High, we honor thee to-day as always we shall do
When e'er our thoughts on thee are turned, our hearts imbibe anew
The sweetest draft from purest springs of knowledge deep and clear
Alma Mater, nearer, dearer, be thy spirit year by year"

JUNIOR CLASS MESSAGE

The members of the Junior Class of 1958 feel that we have had a great part in upholding the high standards of Lee High in our two years of school life. We are proud to have been able to participate in the many wonderful activities. We have taken part in many of the sports, for we have had excellent athletes as our representatives. We have helped plan and have attended many school dances as well as other student activities. Many of our members helped publish the Scabbard and the Stars And Bars. We sincerely hope that we may improve and that we may set as inspiring an example.

The Lee Hi-Y was organized for its third year. As an active Hi-Y, it collected toys for needy children at Christmas, participated in the "Man of the Year", and Youth Legislative activities during 1957-58. The club enjoyed an after-football-season function and its many activities.
